Executive and Committee Information

Our co-operative school operates under an elected Board of Directors (parents) and other dedicated parents who are involved in many aspects of the operations of the preschool. For each child who attends the school, the family is required to sign up for one committee or one executive position. Since St. Christopher's is a Co-operative Preschool, it is most important to fill the executive positions first. All of the positions however, play a very important part in the administration of the school.

Please choose three positions and/or committees that your family would be interested in contributing to. We take these choices into consideration and fill the positions on a first-come, first-served basis. *Please be assured that if you have not asked for an executive position you will not be assigned one.*

Please review descriptions of the preschool executive and committee positions which are included in this package as well, as on our website.

Fundraising vs No-Fundraising

Fundraising families save \$20 per month on tuition to a total of \$200 saved through the year IF they raise \$200 in fundraising profit during the school year

Fundraising profit is 100% on our Glass Turkey & Hopathon fundraisers. This means that whatever money you raise goes directly to the school and towards your \$200 owed for the year

Fundraising profit **on all other fundraisers** will be a percent margin (for example 30% of what you sell on a chocolate/boxed cards/pizza kits fundraisers will be direct profit for the school, the other 70% goes to the fundraising sponsor to cover the costs of their product. So if you raise \$100 in chocolate sales, only \$30 of it is profit for our school and is counted against your \$200 for the year).

If Fundraising families do not raise \$200 in fundraising profit by the end of the school year, they must pay the difference by cheque or e-transfer to treasurer2020.sccp@gmail.com

If a Fundraising family withdraws from the school they will owe \$20 per month for the number of months they were enrolled and must pay any difference between that total & what they raised while attending

- **Non Fundraising families** pay \$20 more per month in tuition and *are not obligated to participate in any fundraisers all year*. Participation in the Glass Turkey & Hopathon fundraisers is encouraged for all families however, to help us cover the costs of field trips & larger classroom items the school may need._
